

Workshops – Introduction to Ply Split Braiding

I offer informal one day workshops at my home to teach the basics of two-dimensional ply-split braiding as used for my ply-split neckpieces. They are on an intimate scale - a maximum of 5 people per session gathered around my kitchen table - and suitable for absolute beginners. I will start by showing how to make the necessary 4-ply cords and we will work on creating individual samples. These can be used as bookmarks, key fobs, luggage identifiers etc. Most people can complete a sample piece within the day.

Sampling materials, the use of tools, refreshments and a light lunch are all included in the price of £55.00 per person. Please bring note making materials - perhaps including your camera. If you wish to continue at home, gripfids (the name of the tool used for ply-splitting) and a few extra cords will be available to buy.

Next date: Friday 21 April 2017. The workshop will run from 10:00 am to 4:30pm.

Price: £55.00 including materials, handout, refreshments and a light lunch.
